STUD SERVICE AGREEMENT

SIRE: Bear (AKC SS16091601)
Peats Creek White Sobaka Baron

STUD FEE: Total fee of \$1200, plus \$200 for collection semen analysis and shipping costs. Collection and shipping costs due at time of shipment (non-refundable). All other fees are due when litter is 1 week old. A litter is considered 2 pups. If a bitch fails to produce a litter, the remaining fees are voided.

Accurate timing is the most critical factor in the success of breeding via shipped semen. Bitch owner is responsible for all progesterone testing done prior to breeding to ensure proper timing. Bitch owner is responsible for all costs pertaining to artificial insemination.

After a litter is whelped, bitch owner will forward information to Peats Creek Labradors to complete the Owner of the Sire portion of registration. No puppies from this litter shall be sold to pet stores or brokers.
